

CSL Calendar of Professional Learning Provision for Principals and Deputy Principals

Following on from consultation with all providers of professional learning for school leaders, the Centre for School Leadership is delighted to now publish the first ever calendar detailing the professional learning available for principals and deputy principals throughout this academic year.

This calendar, now publically available on the CSL website, provides principals and deputy principals with details of programmes and activities organised by a range of organisations including:

- Professional Associations including IPPN
- DES Support Services
- Management Bodies
- Trust Bodies
- Statutory Bodies
- Unions

Please use this link to access the calendar:

The calendar will allow busy school leaders explore what is available to them so as to ensure that they continue to access relevant professional learning to improve their leadership and management skills for what is a demanding role. CSL now plans to engage with stakeholders to develop a similar calendar with details of professional learning provision available to teacher and middle leaders so as to encourage leadership learning at every level along the continuum.

The Centre is also continuing to endorse professional learning in the area of school leadership and has published details of provision that has been endorsed on its website.
