Technology in Teaching & Learning

The CESI conference is a calendar highlight for those who are interested in **integrating technology into teaching and learning**, and this year promises to uphold the high standard that has been set by previous CESI events.

Hands-on, Listen, Learn & Share

The conference features **a mix of presentations and hands-on workshops**, high-profile keynote speakers, and opportunities to engage with educators from all levels of the Irish education

system. Conversations around common interests, **learning from each other**, making connections with people we wouldn't otherwise meet – all are part of the wealth of this much anticipated annual event.

Keynotes

The conference keynotes are from Prof Brendan Tangney and Dr Anne Looney.

Computing

The conference will have a sub-theme to address the issues raised by the government's announcement of a new Leaving Certificate subject of Computer Science.

Conference fee, lunch included:

€65 or €30 student / unwaged

Teachmeet fee:

€10

TeachMeet CESI (#tmcesi)

On the Friday 3rd March evening, before the conference, at the Regency Hotel, Dublin 9 there will be the now-traditional TeachMeet.
