

Letter to Parent & Parental Permission Form

Dear Parent,

Tipperary Children and Young Peoples Services Committee (TCYPSC) is a newly established all-county committee that brings together the main statutory, community and voluntary providers of services to work together for better outcomes for children and young people, aged 0 – 24 years. We are currently developing our first strategic plan and want to gather **the views of children, aged 5 – 12 years** in our county regarding areas such as health, learning, safety, economic security and connectivity as it affects them.

We are asking children to complete the anonymous **on-line survey** at this web-link:

<https://www.surveymonkey.com/r/tipp2016>

The responses from this survey will be collated and examined to help to identify what issues the Tipperary CYPSC needs to address in the best interests of children in our county.

*If you do **not** wish your child to participate, please complete slip below and return to the school by April _____.*

Kind Regards,

Ruairí Ó Caisleáin,
CYPSC Coordinator.
