

AUTUMN COUNTY MEETINGS 2022

Supporting each other at local level

SEPTEMBER - OCTOBER

For the first time in two years, our Autumn meetings will be face to face. IPPN President Brian O'Doherty, CEO Páirc Clerkin, Deputy President Louise Tobin and Supports & Services Manager Jack Durkan, will be visiting our county networks over the next few months, bringing key updates, information on the 'hot topics' and offering support to members. Most importantly, it is an opportunity to meet your fellow principals and deputy principals.

There is also an opportunity to become more involved with IPPN by representing your county at local committee and National Council levels.
