## Supporting School Leaders

SUMMER  
2025

### Navigate Change with Confidence – Ciall Ceannaithe 2025

School leadership is a key determinant of school effectiveness and better outcomes for children. The role is multi-faceted, responsibilities are diverse and a broad range of skills and competencies are required.

This summer, Ciall Ceannaithe provides you with an opportunity to consider what effective school leadership looks like, and to reflect on and enhance your leadership capacity, your effectiveness as a leader and the sustainability of your role.

This online course offers convenient and practical professional development focused on the needs of all school leaders, whether you are thinking about applying for a school leadership role, whether you are starting in a leadership role or whether you are already in role and wish to reflect on experience.
