

# Welcome

If your target market is teachers and education professionals there is no better choice than EducationPosts.ie.

EducationPosts.ie is the first port of call for Irish primary and second-level teachers seeking work and is the number one method of advertising teaching jobs in Ireland. More than 25,000 teachers have used the site to find work in the last

year and more than 6,000 teaching vacancies are advertised each year.

EducationPosts.ie is Ireland's longest established recruitment website dedicated to education. The Department of Education directs all primary and second-level schools in Ireland to advertise their teaching vacancies through EducationPosts.ie.
