Why choose Energia?

Real Savings:

As Ireland's leading independent energy supplier Energia are able to offer you real savings on your electricity bill – saving you 10% on your energy consumption. You can also save 10% on your gas costs with Energia.

Your Energy Choice:

You now have a real choice who you buy your gas and electricity from – no more semi-state monopolies.

No systems or network changes:

Once you have switched to Energia the only difference you will notice are the significant savings you are enjoying together with excellent customer service.

Customer Service:

Our Customer Care team on 091 384138 are here to answer any queries you may have.

Online Information:

Our online account manager service allows you to access your schools energy data via our secure website. In addition to explaining your bill, the online account manager offers an instant query facility that will link you to your Key Account Manager.

Energy Management:

Energia are committed to providing you with the optimum energy solution for your school. We are now helping our customers to use their energy more efficiently. Efficient use of energy not only cuts your schools costs significantly but it is also beneficial to the environment.

FAQ's

What changes?

Nothing! Except you will save money. There is no change of meter or network.

How long does it take to switch?

Usually a couple of days - All that we need is a valid meter reading.

How do I switch?

All you have to do is call on one of our energy specialists in the Energia sales office on 091 384138. We recommend that you have your electricity (and gas bill if applicable) close-by as we will need your meter information.

The energy specialist will provide you with a quotation based on your current usage and tell you how much you will save.

Will my supply be interrupted?

No. Nothing changes except that you pay our lower rates and will start saving money immediately.

Make the call today and switch on to cost cutting savings with Energia.
