

A chairde,

This term is particularly busy with the number of events planned. At any stage during the school year it is difficult to find the time for reflection. However, before the list becomes endless, I would encourage you to take even a few minutes to consider the following question.

Is there one positive action we can all do this week to enhance the quality of the relationships within the school community?

Le meas,

Angela Lynch
Leadership Support Team

ACTIVITIES

- ❖ Plan a fire drill – ensure that all staff members are aware of appropriate evacuation procedures. Has fire equipment been checked / serviced recently?
- ❖ Arrange a clean-up day to encourage pupils to keep school grounds/classrooms/corridors neat and tidy. Invite parents to participate in external clean up – and include small painting jobs as appropriate. This is an ideal opportunity to do some planting to enhance the school environment.
- ❖ Plan the swimming lessons for this final term. If access to swimming pool is limited, ensure that all classes engage in Water Safety lessons (aquatics strand of PE curriculum).
- ❖ Plan for the end of year staff celebrations / retirements / barbeque – this might be something done by the Social Committee if one exists in the school.
- ❖ Suggestion: Invite BOM to come to staff room before end of school year for appropriate refreshments / cream cakes.
